APPENDIX TO SUBPART K OF PART 416— LIST OF TYPES OF INCOME EXCLUDED UNDER THE SSI PROGRAM AS PRO- VIDED BY FEDERAL LAWS OTHER THAN THE SOCIAL SECURITY ACT

Many Federal statutes in addition to the Social Security Act provide assistance or benefits for individuals and specify that the assistance or benefit will not be considered in deciding eligibility for SSI. We have listed

these statutes in this appendix and have placed them in categories according to the kind of income or assistance they provide. The list gives the name of the Federal statute (where possible), the public law number, and the citation. Each item briefly describes what the statute provides that will not reduce or eliminate an SSI payment. More detailed information is available from a social security office or by reference to the statutes.

We update this list periodically. However, when new Federal statutes of this kind are enacted, or existing statutes are changed, we apply the law currently in effect, even before this appendix is updated.
